

Gear Checklist/Agreement (Biking Camp)

Parent Agreement:

I have read and understand the following list of required gear for my child to have every day of bike camp. In addition, I understand that my child's bike will be in good working order before the first day and checked regularly thereafter (see **Your Bike!** section, below). A video providing assistance on this can be found here: <https://www.youtube.com/watch?v=mdyF6wQAQQ0>
